会议简介

一、会议介绍

政府绩效管理与绩效领导国际学术会议由兰州大学中国政府绩效管理研究中心/兰州大学管理学院、美国波特兰州立大学汉菲尔德政府学院和日本早稻田大学公共服务研究所于2009年发起，每两年举办一届。前六届会议已先后在兰州、美国波特兰、日本东京、泰国孔敬、越南胡志明等地举办。第七届会议将在前六届会议的基础上，结合国际公共管理研究最新进展和各国政府治理实践最新趋势，围绕政府绩效管理和绩效领导的重要问题展开讨论，为全球范围内政府绩效改进提出创造性的解决方案。

二、会议主题

本次会议的主题是：公共价值驱动政府绩效治理与全球领导力

当今世界处于百年未有之大变局，如何创新政府绩效治理以提升国家治理效能和国际竞争力，如何增强全球领导力以推动建立更加公正合理的国际新秩序，于变局中开新局，是摆在世界各国面前的战略难题。在应对疫情防控、气候变化等全球治理问题的过程中，人类命运共同体理念深入人心，追寻与创造公共价值成为全球共识，是绩效治理和提升全球领导力的根本动力。公共价值驱动政府绩效治理和全球领导力能够为世界各国应对战略难题提供新的方案。

三、会议研讨题目

会议主办方欢迎全世界从事相关研究的优秀学者和实践者围绕“公共价值驱动政府绩效治理与全球领导力”这一主题进行交流和探讨。内容围绕以下论题：

- (1) 政府绩效治理的基础理论
- (2) 公共价值管理理论与方法
- (3) 大数据驱动政府绩效管理研究
- (4) 公共部门绩效治理最佳实践案例
- (5) 公共治理中的绩效领导
- (6) 财政与预算绩效管理
- (7) 政府绩效管理的国际比较
- (8) 政府绩效合作生产的理论与机制
- (9) 政府绩效管理研究的新方法
- (10) “一带一路”倡议下的全球领导力

Introduction

As a collaboration initiated in 2009 with the joint efforts of Lanzhou University in China, Portland State University in the US, and Waseda University in Japan, the International Conference on Government Performance Management and Leadership (GPML) is a bi-annual conference with 6 successful experiences over past years. By focusing on innovative and sustainable solutions to significant issues in government performance management, GPML is designed to gather leading scholars and practitioners in the field.

THEME

Public Value-driven Government Performance Governance and Global Leadership

The world is undergoing profound changes unseen in a century. All countries, striving to write a new chapter in the changing situation, are involved in finding strategic solutions to innovate government performance governance to enhance state governance efficiency and international competitiveness, and to enhance global leadership to promote the establishment of a more just and equitable new international order. In the process of addressing global governance issues such as epidemic prevention and control, and climate change, the concept of a community with a shared future for mankind has taken root, and the pursuit and creation of public value has become a global consensus, which is the fundamental driving force for improving performance-based governance and global leadership. Public value-driven government performance governance and global leadership can provide new solutions to strategic challenges faced by all countries around the world.

TOPICS

The conference welcomes outstanding scholars and practitioners all over the world to submit papers. The paper can focus on but not be limited to the following topics.

1. Fundamental theory of government performance governance
2. Theory and methods of public value management
3. Big data-driven government performance management
4. Best practice of pormance governance in the public sector
5. Performance leadership in public governance
6. Financial and budget performance management
7. International comparison of government performance management
8. Theory and mechanism of government performance coproduction
9. New methods of government performance management research

主办单位简介

兰州大学中国政府绩效管理研究中心简介

兰州大学中国政府绩效管理研究中心始建于2004年，是国内首家政府绩效管理专业学术研究机构。中心是我国政府绩效管理基础理论研究、评估与制度建设、数据库建设、人才培养和社会服务的重要基地，中心自2006年起由兰州大学和中国行政管理学会共建，2013年被列为甘肃省高等学校人文社会科学重点研究基地，2017年起入选中国智库索引（CTTI）来源智库。

中心现有专、兼职教授（研究员）30余名，副教授（副研究员）20余名，讲师10余名，兰州大学管理学院名誉院长、全国政府绩效管理研究会副会长包国宪教授任中心主任。作为我国首家第三方政府绩效评价机构，中心开创了我国第三方机构评价政府绩效的先河，形成了中国地方政府绩效评价的“甘肃模式”，培养出了中国第一批政府绩效管理专业博士和硕士。中心推动成立了全国政府绩效管理研究会、全国政府绩效管理合作研究网络，作为发起者与美国、日本、韩国、泰国、越南等国高校自2009年起共同主办的政府绩效管理与绩效领导国际会议是全球范围内规模最大的绩效会议之一，依托这一学术共同体，推动建立了国际政府绩效联盟（IGPA）。

中心先后承担国家级科研项目 and 世界银行、国家部委及地方政府委托项目60余项，参与了国家税务总局、原环保部、原农业部和杭州、深圳等多个地方政府的绩效评估方案设计和咨询工作，承担了全国MPA教指委《政府绩效管理》课程培训等多次全国性政府绩效专题培训。组织编撰了《中国政府绩效管理年鉴》，出版了《政府绩效管理学》等十余部专著，在国内外高水平杂志发表论文200余篇，多篇论文被《新华文摘》《人大复印资料》全文转载，研究成果获得高等学校科学研究优秀成果二等奖（人文社会科学）、甘肃省哲学社会科学优秀成果一等奖、二等奖等国家和省（部）级科学研究奖项20余项，提出的以公共价值为基础的政府绩效治理理论受到学术界广泛关注和认可。

Introduction to China Research Center for Government Performance Management

China Research Center For Government Performance Management of Lanzhou University (CRCGPM) was founded in 2004 and is the first academic research institution for government performance management in China. CRCGPM is an important platform for theoretical research, evaluation practices, system construction, database construction, talent training, and social services of the government performance management in China. Since 2006, CRCGPM has been jointly established by Lanzhou University and the Chinese Public Administration Society. Since 2013, CRCGPM has been listed as a key research base of humanities and social sciences in higher education in Gansu Province. Since 2017, CRCGPM has been selected as a think tank of China Think Tank Index (CTTI).

CRCGPM has more than 30 full-time and part-time professors (research fellow), more than 20 associate professors (associate research fellow), and more than 10 lecturers. Prof. Bao Guoxian, Honorary Dean of the School of Management, also the Vice President of the National Association of Government Performance Management, is the director of the CRCGPM. As the first third-party government performance evaluation institution in China, CRCGPM has pioneered the evaluation of government performance by third-party institutions in China, formed the "Gansu Model" of local government performance evaluation in China, and trained the first batch of PhDs and masters in government performance management in China. CRCGPM has promoted the establishment of the National Government Performance Management Research Association (NGPMRA) and the National Government Performance Management Cooperative Research Network (NGPMCRN), and as the initiator, co-hosted the International Conference on Government Performance Management and Performance Leadership with universities in the United States, Japan, Korea, Thailand, and Vietnam since 2009, make it the largest performance conference in the world. CRCGPM also contributed to the establishment of the International Government Performance Alliance (IGPA).

CRCGPM has undertaken more than 60 national research projects and projects entrusted by the World Bank, national ministries, and local governments. CRCGPM has participated in the design and consultation of performance evaluation programs of the State Administration of Taxation, the former Ministry of Environmental Protection, the former Ministry of Agriculture, and many local governments such as Hangzhou and Shenzhen, and has undertaken much national training on government performance topics such as the training of "Government Performance Management" course training of the National MPA Education and Steering Committee. The research teams of CRCGPM have published more than 200 papers in high-level journals at

home and abroad, and many papers have been reprinted in full in Xinhua Digest and NPC Reprographic Materials, and some research results have won the Second Prize of Outstanding Achievements in Scientific Research in Higher Education (Humanities and Social Sciences), the First Prize and Second Prize of Outstanding Achievements in Philosophy and Social Sciences in Gansu Province. The research achievements of CRCGPM have won more than 20 national and provincial (ministerial) scientific research awards, and the theory of Public Value-based Government Performance Governance (PV-GPG) has received wide attention and recognition in academia.

Introduction to School of Management, Lanzhou University

Lanzhou University (LZU) was founded in 1909. It is a national comprehensive university under the direct authority of the Ministry of Education and is on the list of China's construction plan of world-class universities and first-class disciplines ("Double-First Class" initiative). The university has an important strategic position in the pattern of China's higher education as well as great influence and good reputation both home and abroad. The School of Management at Lanzhou University (LUSM) was established in 2004, with "to develop leaders with global perspective, local commitment and social responsibility for western China and beyond" as its mission and "talent driven", "internationalization", "school culture building" as its strategies. After 16 years of development, LUSM has achieved great results in discipline building, talent and faculty development and research, etc.

LUSM provides doctoral programs in public administration and business administration, and has one postdoctoral station of public administration. In the fourth round of discipline evaluation, its public administration was rated B+, and business administration B; according to ShanghaiRanking's Best Chinese Subjects Ranking 2020, its public administration was ranked top 10%. It offers three professional master's degrees: MBA (including EMBA and international MBA), MPA and MPAcc. It has 5 undergraduate programs: public administration, accounting, marketing, human resources management, information management and information system as well as two featured programs: ACCA and Top-Notch Undergraduate Training Program in Management. Among these, public administration, accounting and information management & information system are national first-class undergraduate programs; public administration is chosen as feature program construction of higher education by the Ministry of Education; human resource management is on the list of Gansu provincial first-class undergraduate programs as well as feature program construction of higher education of the province and marketing is the Gansu provincial first-class undergraduate program.

At present, there are over 100 full-time faculty at the school, among which, 79% have doctoral degrees, and 50% have overseas visiting experience. In recent years, the school has built high-level research teams with Portland State University, the Pennsylvania State University, Western Washington University and the City University of New York in various ways. By adhering to talent-centered strategy, it poses an active stance to attract talents from home and abroad and at the meanwhile, constantly improves the professional title evaluation system and implements the competitive performance incentive system to provide strong support for the development of faculty.

According to the principles of being comprehensive, interdisciplinary, flexible and open, the school has formed several featured research fields, including government performance management, crisis information management, strategy, innovation and entrepreneurship management, organizational behavior and human resource management, project and operations management, development of ethnic administration, public finance and budget governance. Since 2004, 122 projects have obtained national level research fund; 3 second prizes have been awarded by humanities and social science project of MOE. In recent years, the school has about 12 national level projects approved annually, and has nearly 100 academic papers in both Chinese and English published every year (including about 30 high-level papers), ranking among the best in the schools of humanities and social Sciences of LZU.

Currently, the school has built cooperative partnership with over 30 overseas institutions, such as University of Illinois at Chicago, Rutgers, The State University of New Jersey and Portland State University in the USA, Aston University in the UK, Leipzig Graduate School of Management in Germany and University of Applied Science Northwest Switzerland in Switzerland covering various fields of cooperation, including students exchange, faculty visiting, joint research, co-hosting academic conferences. A large number of management talents with solid theoretical foundation and international vision have been trained. The school has embedded concepts and standards of international accreditation in discipline construction, talent cultivation, scientific research, faculty team building and social services. In 2014 and 2017, its MBA program obtained AMBA accreditation and re-accreditation, and the school is currently applying for AACSB accreditation.

LUSM insists on using its academic research results, professional knowledge in management and technology to serve the society, and has been cooperating with local governments, enterprises and social organizations. The practice and activities such as Gansu Model (third party government performance evaluation), Lanzhou Summit and the release of China County-Level Government Performance Index have attracted extensive attention of the society. The school is actively providing professional consulting and training services for government decision-making, industrial upgrading and enterprise transformation and development, and helping Gansu's social and economic development.

Introduction to Mark O. Hatfield School of Government, Portland State University

Located in an award-winning new building, the Hatfield School offers students the latest in technological capabilities and exposure to a wide variety of courses spanning political science, public administration, and criminal justice.

In addition, the Hatfield School draws significantly from its five Institutes and one center which conduct research and offer classes specializing in executive leadership, nonprofit management, criminal justice policy, tribal government, US-Turkish affairs, and environmental studies. The Hatfield School offers a rich variety of courses, practica, and internships where theory and practice come together.

Mission

The mission of the Hatfield School is to attract, prepare, and renew leaders and managers for public and nonprofit service. The School's degree, certificate, and continuing education programs are shaped by three overarching values: the importance of public service, the pursuit of social justice, and the quest for effective innovation in service delivery. We achieve our mission through a range of teaching, research, publishing, and consulting activities that balance practice and theory.

主办单位简介

泰国孔敬大学地方行政学院

孔敬大学地方行政学院（COLA）为本科至博士教育提供一系列丰富而多样的课程，积极响应国家在权利下放和公共服务方面的变化。本科项目有以下三类：公共管理专业地方政府方向学士学位项目，公共管理专业财务管理方向学士学位项目，以及建设和城市管理方向技术学术学位项目；硕士项目有两类：公共管理专业地方政府方向硕士学位项目，公共管理专业警务和社区管理方向硕士学位项目；博士项目为公共管理专业公共事务管理方向博士学位项目。

杰出项目

- ★ 公共管理专业公共事务管理方向博士学位项目

该DPA项目不仅是泰国国内首个公管博士项目，也是国际三所知名大学：孔敬大学、密苏里大学哥伦比亚分校、夏威夷大学马诺阿分校的合作项目。

- ★ 公共管理专业地方政府方向硕士学位项目

作为泰国境内首次开创的MPA项目，为地方政府的管理者和从业者提供深入的理论和实课程。

- ★ 公共管理专业地方政府方向学士学位项目

该BPA项目旨在提高地方政府从业者的效率和效力。项目课程提供从业人员所必备的基础知识、关键素质及必备技能。

顶尖研究

- ★ 地方治理

学院鼓励硕士生开展研究，将书本知识转化到某一具体领域，这一核心机制也使学院受益匪浅，不仅为学院带来多样性、具有深度和应用价值的知识，更有助于学院成为泰国在地方管理领域的领先机构。

- ★ 泰国地方政府管理创新

这一研究旨在为全国范围内的地方管理机构寻求最好的改革和创新实践。

- ★ 中央至地方政府的权利下放

这项研究旨在审查中央政府对地方政府的权利下放范围。

Introduction to College of Local Administration, KhonKaen University

The College of Local Administration or “COLA” offers a variety of curriculums from undergraduate to doctoral programs in order to accommodate national changes in terms of decentralization and public services. We offer three undergraduate courses as follows: Bachelor of Public Administration with a major in Local Government, Bachelor of Public Administration with a major in Fiscal Management, and Bachelor of Technology with a major in Construction and Urban Management. Two postgraduate courses are offered including Master of Public Administration with a major in Local Government, and Master of Public Administration with a major in Police and Community Administration. One doctoral program, a Doctorate of Public Administration with a major in Public Affairs Management, is also offered.

OUTSTANDING PROGRAMS

- ★ Doctor of Public Administration in Public Affairs Management

DPA in Public Affairs Management is not only the first program related to the field of public affairs management in Thailand, but is also a collaborative program between three of the worlds’ leading universities, namely KhonKaen University, the University of Missouri-Columbia, and the University of Hawaii at Manoa.

- ★ Master of Public Administration in Local Government

Being the first program of its kind to be run in Thailand, MPA in Local Government offers in-depth theories and practices regarding local administration and development for administrators and practitioners.

- ★ Bachelor of Public Administration in Local Government

BPA in Local Government aims at enhancing the efficiency and effectiveness of local governmental officers. The program offers fundamental and critical knowledge and the skills required for managing local organizations.

TOP RESEARCH

- ★ Local Governance

The majority of the master degree students are encouraged to transfer their tacit knowledge to one explicit area via conducting research. This key mechanism allows us to benefit from diverse, in-depth and applicable bodies of knowledge and to become the leading institution in the area of local governance in Thailand.

- ★ Administration Innovation of Thailand’s Local Governments

This research aims to seek the best practices and innovations in local administration organization nationwide.

- ★ Decentralization of Authorities to Local Government

This research aims to scrutinize the extent of decentralizing central authorities in local administration organizations.
